TCS GUARDIAN INFORMED CONSENT FORM

The **To'hajiilee Community School (TCS)** is requesting that parents and guardians consent to have their student(s) participate in two program review processes. These reviews are designed to assess our various school programs — and not persons — and are being conducted by external consultants.

Student knowledge and perspectives may be collected through interviews, observations, and focus groups. Any media recorded may only be used for To'Hajiilee Community School promotion, public relations, archives, and/or review and technical reports. Student names will not be included in any reports or briefings provided to teachers, administrators, program sponsors, nor the public.

The form is to let you know about the process and to give you the opportunity to withdraw your child(ren) from participation, if you so choose. For the purpose of efficiency, we are asking that you return this form to the school or project staff by the next school day, **only if you do NOT wish for your child(ren) to participate** in the process. If you allow your student to participate, you do NOT have to return this form.

Thank you.

If you prefer, you may wish to check the appropriate item below:
