Yá'át'ééh, Good Greetings to All!

Dear TCS Friends, Staff, and Community Stakeholders,

We need your help! The To'Hajiilee Community School (TCS) is working with the Center for Positive Practices (CPP) to conduct this year's **Annual Programs Review**. All assessments are based on your reflections for school-year 2024-2025.

This year, the *Programs Review* is for TCS internal use only. The process requests that you complete a brief survey and also that you participate in an interview or focus group. *Therefore, we really need your input to determine how we can chart a path forward for greater success!*

Please note: Please participate in a focus group either before or after completing the surveys. But all online surveys must be completed by mid-September.

Online interviews and focus groups. Everyone, including students whose parents give their consent, are invited to participate in focus groups or interviews based on a predetermined schedule. The Zoom link for all online sessions is <https://us06web.zoom.us/j/4194320229>.

Survey: The TCS Programs and Language Education Survey. This online survey requests that you provide your assessment/ratings of the quality and effectiveness of TCS programs. It's also an opportunity for you to share your thoughts regarding the Navajo/Diné language learning programs at TCS. Please complete this survey online at <https://bit.ly/tcs-survey-online>

The focus groups schedule begins on Monday, September 8, 2025. All links and focus group schedules for this review are available in one place, *online* at <https://tcs.positivepractices.com>

Thank you! / Ahéhee'
